

**All Gone**

Take hands and swoop them from the center outward.

**More**

Tap your finger tips together.

**Water**

Form a "W" with your three middle fingers (pointer, middle and ring) and tap them to your chin two times.

**Eat**

Place fingertips to your lips.

## Drink

Form your right hand into the letter "c" and move the hand to your mouth in a short arc as if you were drinking.

## Thank you/You're Welcome

Touch your lips with the front of the fingers of your right hand and move your hand away from your face.

## Sad

Point to eyes and draw fingers downwards as if tears are going down cheeks.

## Angry

Make an angry face while opening and closing a clawed hand.

**Happy**

Pat your chest with a flat hand with an upward motion.

**Love**

Cross your fists over your chest.

**Sorry**

Make a fist and rotate your hand over your heart in a clockwise circular motion.

**Please**

With a flat hand over your heart, move your hand in a clockwise circular motion.

**Small**

Face palms towards each other and draw them together.

**Big**

Point fingers up while keeping thumbs out and move hands apart.

**Cold**

Make fists, draw arms close to body and shiver.

**Hot**

Make a "c" shape with right hand. Place fingers and thumb at sides of mouth. Turn hand down as you draw hand away from mouth.

**Sun**

Curve both hands over your head.

**Rain**

Wiggle your fingers as you draw the hands down.

**Airplane**

With pointer finger and pinky extended, swoop your hand up.

**Car**

Make fists and move hands in a steering motion.
